

APPENDIX E
Requirements for HEALTH CLINICAL Track

Student's Name _____ Date _____

Summary of Requirements Completed: Health Psychology

(Please indicate when the requirement was completed, course number and grade received, as appropriate.)

Foundation Courses (all required; 3 courses, excluding PSY 601, must be taken prior to Quads/M.S. Thesis)

PSY 601: Professional Issues in Clinical Science _____
PSY 604: Cognition & Emotion _____
PSY 605: Cognitive Neuroscience _____
PSY 614: Diversity Issues in Psychology _____
PSY 620: Developmental Psychology _____
PSY 625: Social Psychology _____
PSY 640: Adult Psychopathology _____

Research Methodology, Statistics, and Data

PSY 631: Psychological Statistics, Research Methods & Design _____
PSY 632: Multiple Regression & Statistics _____
PSY 633: Seminar in Quantitative Psychology (Structural Equation Modeling or Linear Hierarchical Models) _____

Introductory Clinical Courses

PSY 645: Introduction to Psychological Evaluation _____
PSY 656: Introduction to Evidence-Based Psychological Treatments _____
PSY 657: Introduction to Psychotherapy, Ethics, & Professional Issues _____

Track Specific Requirements

PSY 603: Neuroanatomy _____
PSY 606: Biobehavioral Processes & Disease in Health Psychology (required) _____
PSY 610: Behavioral Medicine: Overview of Basic Science, Public Health and Clinical Trial Approaches (required) _____
PSY 615: Neuropsychology _____
PSY 616: Biobehavioral Processes and Clinical Research Applications in Health Psychology (required) _____
PSY 648: Psychological Evaluation in Physical Disorders (required) _____
PSY 662: Health Psychology Interventions (required) _____

Practicum (indicate setting and semester completed).

1st practicum _____	4th practicum _____
2nd practicum _____	5th practicum _____
3rd practicum _____	

(PSY 670, 1 - 3 credits/semester)

Qualifying exam (indicate when passed)

Internship (indicate setting and year)

(Enrollment in 704 (Clinical Internship) is required and continuous enrollment at UM is required until dissertation defense; interns may enroll for 1 dissertation credit per semester to maintain continuous registration.)

Masters thesis (indicate topic, committee members and date completed; six credits PSY 710 required)

Dissertation (indicate topic, committee members, date of proposal acceptance and of final oral.)

(12 credits of PSY 730 are required, from 1 to 6 per semester, no more than 3 of which may be prior to proposal acceptance. Indicate semesters and credits of PSY 730 enrollment.)

Research Advisors (list)

First year (F) _____

Second year (F) _____

Third year (F) _____

Fourth year (F) _____

(Sp) _____

(Sp) _____

(Sp) _____

(Sp) _____

Teaching Requirement

Indicate course and semester taught _____

Proposed Illustrative Course Schedule for: HEALTH CLINICAL Track

FIRST YEAR

Fall Semester

PSY 601: Professional Issues in Clinical Science	1 cr.
PSY 610: Behavioral Medicine: Overview of Basic Science, Public Health & Clinical Trial Approaches	3 cr.
PSY 631: Psych Stats, Research Methods & Design	3 cr.
PSY 640: Adult Psychopathology	3 cr.
PSY 645: Intro to Psychological Evaluation	3 cr.
PSY 650: Lab for PSY 640	0 cr.
PSY 671: Lab for PSY 645	<u>0 cr.</u>
	13 cr.

Spring Semester

PSY 606: Biobehavioral Approaches & Disease in Health Psychology	3 cr.
PSY 632: Multiple Regression Statistics	3 cr.
PSY 656: Intro Evidence-Based Psych Treatments	3 cr.
PSY 657: Intro Psychotherapy Ethics, & Professional Issues	<u>3 cr.</u>
	12 cr.

SUMMER

PSY 706 – Summer Practicum	1 cr.
----------------------------	-------

SECOND YEAR

Fall Semester

PSY 605: Cognitive Neuroscience	3 cr.
PSY 633: Structural Equation Modeling or PSY 710	3 cr.
PSY 670: Practicum	1 cr.
PSY 616: Biobehavioral Processes & Clinical Research Applications in Health Psychology	<u>3 cr.</u>
	10 cr.

Spring Semester

PSY 648: Psych Evaluation in Physical Disorders	3 cr.
PSY 614: Diversity Issues in Psychology	3 cr.
PSY 670: Practicum	1 cr.
PSY 710: Master's Thesis	<u>3 cr.</u>
	10 cr.

SUMMER

PSY 706 – Summer Practicum	1 cr.
----------------------------	-------

THIRD YEAR

Fall Semester

PSY 662: Health Psych Interventions	3 cr.
PSY 625: Social Psychology	3 cr.
PSY 670: Practicum	1 cr.
PSY 710: Master's Thesis	<u>1 cr.</u>
	10 cr.

Spring Semester

PSY 604: Cognition & Emotion (if NOT teaching)	3 cr.
PSY 6xx: Health Elective	3 cr.
PSY 670: Practicum	1 cr.
PSY 6xx: Elective	<u>3 cr.</u>
	10 cr.

SUMMER

PSY 706 – Summer Practicum	1 cr.
----------------------------	-------

FOURTH YEAR

Fall Semester

PSY 6xx: Elective	3 cr.
PSY 6xx: Elective	3 cr.
PSY 670: Practicum	1 cr.
PSY 730: Doctoral Dissertation	<u>3 cr.</u>
	10 cr.

Spring Semester

PSY 620: Developmental Psych	3 cr.
IF NEEDED: PSY 604: Cognition & Emotion	3 cr.
PSY 6xx: Elective	3 cr.
PSY 670: Practicum	<u>1 cr.</u>
	10 cr.

Need: Total of 18 courses of which 7 are Foundation (601, 604, 605, 620, 625, 640, 614), 3 are statistics (631, 632, 633) and 3 are clinical requirements (656, 657, 645) and 3 are track-specific (642, 646, specialty intervention).

Note: 3 Foundation courses (excluding PSY 601) must be taken prior to MS/Quals.
